

## GRAND ORGAN FESTIVAL 2017

From April to November 2017, Westminster Cathedral presents a series of eight concerts on one of the world's finest organs. The unique and inspiring atmosphere of the Cathedral's sacred space creates a magnificent setting for organ music, and the position of the great four-manual instrument high above the West Door provides the listener with the most direct and comprehensive range of sound and colour of any cathedral organ in the country. The **Grand Organ Festival 2017** offers an opportunity to hear some of the finest British and international artists playing a wide variety of music.

The Grand Organ of Westminster Cathedral is considered by many to be the greatest achievement of Henry Willis III, one of England's finest organ builders. Since its inauguration in 1922 by Marcel Dupré (who was an influential figure in its design), the instrument has been heard in concerts played by many celebrated organists from around the world: Louis Vierne, Fernando Germani, Jeanne Demessieux, Pierre Cochereau, Jean Langlais, George Thalben-Ball, Ralph Downes, Jean Guillou and Dame Gillian Weir have all performed here to great acclaim.

**Tickets** to each concert are **£12** (£10 concessions) and a **Season Ticket** giving admittance to all eight concerts is available for **£70** (£60 concessions). Tickets are available on the door (cash only). We advise that the concerts are not suitable for children under the age of 6.
